"The World Negro Means A Walking Dead Man," Malcolm X

LOS ANGELES, Dec. 20 — Hundreds of Negroes braved the pouring rain in Los Angeles Sunday night, packing the Garden of Prayer Baptist Church at 5326 S. Central Avenue to capacity to hear Muslem Minister Malcolm X of New York City explain how "millions of chained blacks were forcibly uprooted from their beautiful African homeland and brought to this land of bondage by the white man, who then stripped them of their own culture, brainwashed them until they were made mentally blind, and then deceived them into accepting the term 'negro' as their identity."

Ignoring Southern California's first heavy rain of the

season the overflow audience listened attentively as Mr. X explained why all intelligent black people should abolish the use of the word "negro."

He pointed out how the white man has taught us that "negro" means "black" in Spanish but the black people in Spanish speaking countries of South and Central America do not accept this word to identify themselves and that it is an insult to call them "Negroes."

"If the word 'negro' really means black, why don't we just come outright and call ourselves Black People, instead of letting the white man send us way into Spanish to grab the word 'negro' to hide behind?" asked Mr. X.

The young Moslem minister also pointed out that if the word "negro" comes from the Latin word "niger" as the white man would also have us believe, even if this word does mean black in Latin, how then could a river deep in the African interior have a Latin name when the inhabitants along its shores were not a Latin speaking people?

What was the African name for this same river which we were kidnapped from by the white man and allegedly named after?" the fiery Mr. X asked his audience.

Using the Spanish word "amigo" (friend) and its Latin equivalent "amico" to show how the consonant "C" often changes to "G" when crossing from Latin into Spanish, Mr. X proceeded to prove to his audience that the word "negro" actually means "a dead man, or a dead people."

Resorting to the philological findings known as "Grimm's Law" (after the noted philologist, Jacob Grimm), Mr. X showed the relationship of the word "negro" to the latinized prefix "necro," and then explained how the root for etymon of both is actually the Greek word "nekro," which means A CORPSE!

"The latinized form of the Greek word Nekro (corpse) is "NECRO." Examine the dictionary. Every English word that is prefixed with this word "necro" has something

to do with the death or the dead (words such as necrology, necropolis, etc)," continued Mr. X.

"The word Negro itself actually means a walking dead man . . . a spook," declared Mr. X.

"This proves Messenger Muhammad is teaching the truth when he says the American Negroes are the dead whom the Bible predicts will be resurected in the last days . . . of the end of the white man's time," thundered the young speaker.

Mr. Muhammad has taught us the so-called Negroes in America are mentally dead from the lack of SELF knowledge; politically dead because we are deprived of civil rights and not recognized as citizens; economically dead because, having no factories or businesses of our own we are completely dependent upon the white man for a livelihood and are the last ones hired and the first ones fired."

Mr. X received a thunderous applause of approval when he climaxed his lecture declaring that "the only man who can give life to the 20 million black people in America and raise them from the Grave of Ignorance is the Honorable Elijah Muhammad."

The Moslems will continue their series of lectures at the Garden of Peace Baptist Church this Sunday night at 7:30. Malcolm X [illegible] will be the guest speaker.

CONCERNING THE NATION OF ISLAM
FORMERLY REFERRED TO AS MUSLIM CULT OF ISLAM,
ALSO KNOWN AS MUHAMMAD'S TEMPLES OF ISLAM

62,67D

During January, 1957, [redacted] advised that ELIJAH MUHAMMAD had described his organization on a nation-wide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

62,67D

On December 22, 1958, [redacted] advised that the NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD's teachings and his interpretation of the "Koran", believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils" in the United States; and that the white race, because of its exploitation of the

1604

so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts, and have declared that members owe no allegiance to the United States.

62,67D

On May 5, 1958, [redacted] related that MUHAMMAD, upon advice of legal counsel, had tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government. However, he did not indicate any fundamental changes in the teachings of his organization.

62,67D

On December 16, 1958, [redacted] reported that MUHAMMAD, early in July, 1958, had decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him to acquire additional followers and create more interest in his programs.

CONCERNING THE FRUIT OF ISLAM (FOI)

62,67D

On December 22, 1958, [redacted] advised that the FOI is a group within the Nation of Islam (NOI) composed of all able-bodied male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

NATION OF ISLAM, formerly referred to as Muslim Cult of Islam, also known as Muhammad's Temples of Islam (NOI)

In January, 1957, a source advised that ELIJAH MUHAMMAD had described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 11, 1959, another source advised that the NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source related that MUHAMMAD, upon advice of legal cousel, had tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government. However, he did not indicate any fundamental changes in the teachings of his organization.

On May 8, 1959, another source reported that MUHAMMAD early in July, 1958, had decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him to acquire additional followers and create more interest in his programs.
